

## WBP-210HD FL WBP-212HD FL

Single and dual channel EXTREME beltpacks with built-in beacon light

WBP-210HD FL (single channel) and WBP-212HD FL (dual channel) are the most complete beltpacks in our catalogue. These models offer all the features and functions of EXTREME Series beltpacks, plus a built-in high luminosity beacon light to help the operator notice incoming calls when working in loud environments (live music festivals, for example).

## **WBPC-210**
