

WBP-210HD FL WBP-212HD FL

Single and dual channel *EXTREME* beltpacks with built-in beacon light

WBP-210HD FL (single channel) and *WBP-212HD FL* (dual channel) are the most complete beltpacks in our catalogue. These models offer all the features and functions of *EXTREME Series* beltpacks, plus a built-in high luminosity beacon light to help the operator notice incoming calls when working in loud environments (live music festivals, for example).

WBPC-210
