

ATH-T300

adjustable dual headband for superior comfort

Uses the copper-clad aluminum wire (or CCAW) voice coil driver units that makes you feel like you're "right there" listening to the music. (A CCAW driver combines the strength and conductivity of a copper core with a lightweight outer coating of aluminum resulting in an extended high frequency range and a cleaner bass)

Wide adjustable head support and soft ear pads allow you to listen in comfort for long periods of time.

- 40mm CCAW Voice Coil driver unit delivers powerful and rich bass
- Adjustable headband for long-wearing listening comfort
- Specially designed soft head support system reduces pressure on the head
- Easy to adjust earcups for a comfortable fit

ATH-T300

Specifications*:
