ATH-M50RD

professional studio monitor headphones

Limited Edition Color

ATH-M50RD

With the **ATH-M50RD** professional studio monitor headphones (red color; coiled cable), Audio-Technica has achieved an exceptionally accurate response and long-wearing listening comfort. Designed especially for professional monitoring and mixing,
these studiophones feature an efficient collapsible design for space-saving portability and storage. Circumaural ear pieces swivel 180° for easy one-ear monitoring and luxuriously padded ear cushions create an outstanding seal for maximum isolation.

Audio-Technica's sophisticated driver technology and superior components deliver exceptional power handling and very high SPL capabilities while maintaining clarity of sound throughout their extended range, with deep, accurate bass and outstanding high-frequency extension. The headphones feature proprietary large-aperture drivers with neodymium magnet systems for ultra-efficient signal transfer.

- New limited edition red color
- Exceptional audio quality for professional monitoring and mixing
- Collapsible design ideal for easy portability and convenient storage
- Proprietary 45 mm large-aperture drivers with neodymium magnet systems
- Closed-back cushioned earcup design creates an outstanding seal for maximum isolation
- Adjustable padded headband for comfort during long mixing/recording sessions
- Single-sided coiled cable terminates to gold-plated mini-plug with screw-on 6,3mm adapter
