CUTSHEET

K182 PROFESSIONAL CLOSED-BACK MONITOR HEADPHONES

HIGHLIGHTS

- » Closed-back acoustics ensure great performance for every instrumentalist
- » Over-ear design with replaceable ear pads provides comfort during long sessions
- » High-sensitivity 50mm transducers provide great sound even with mobile devices
- » Detachable cable and screw-on adapter for easy connectivity with all your gear
- » 3D-axis professional folding mechanism for ease of portability

APPLICATIONS

- » E-Drums, Keyboards
- » Studio Monitoring
- » Home Recording

Take Control of Your Sound

Never too hot. Never too high. Always just right. Designed for discerning musicians and engineers, the K182 professional monitor headphones deliver incredibly accurate sound. 50mm drivers keep it loud — even when using mobile devices — while the 10 Hz - 28 kHz frequency range provides a truly balanced mix. 3D-axis folding and comfortable, replaceable ear pads make these headphones an easy travel companion, no matter where your sound takes you.
