Multi-Effects Processors

MINIFEX
FEX800

Ultra-Compact Stereo Multi-FX Processor

Extreme Versatility

An intuitive FX Preset control with LED indicator lets you know what's on deck, while the versatile Edit and Tap/Select functions give you the ultimate control over a wide range of effects parameters.

Your Connection to Amazing Sound

The FEX800 has two modes of operation – mono and stereo. Featuring both balanced ¼" and XLR Inputs, FEX800's Input Level control has a 6-digit LED meter that provides a precise level indication for flawless signal integrity.

Additional Features and Build Quality

Dedicated Mix Balance and Output Level controls make it so very easy to quickly dial-in the perfect sound. And if you're using the FEX800 live, the footswitch connector provides easy on/off switching (footswitch sold separately). Highest-quality potentiometers, illuminated switches and low-noise audio operational amplifiers provide exceptional sonic performance.
