Compact PA Systems

EUROPORT MPA40BT

All-in-One Portable 40-Watt PA System with Bluetooth Connectivity and Battery Operation

- All-in-one portable PA system with full Bluetooth* connectivity
- Incredibly simple to set-up and use - no technical background required
- 40 Watts of powerful, high-quality sound for audiences of up to 250 people
- Perfect for parties, schools, corporate and educational presentations, seminars, aerobics, auctioneers, working musicians, tour guides, weddings, etc.
- Connect your iPod*, iPhone*, iPad* or any other MP3 player via Bluetooth
- AC & battery operated with up to 12 hours continuous use per battery charge
- High-quality dynamic microphone with cable included
- "Wireless ready" for high-quality BEHRINGER ULM digital wireless microphone system (not included)
- 2 microphone inputs with individual volume control
- Additional Aux input to connect to your CD player
- Effective and extremely musical 2-band EQ for perfect sound tuning
- Powerful 8" woofer and high-resolution tweeter driven by a Class-D amplifier
- Integrated stand mounting with 35 mm pole socket

Use the extremely lightweight, yet powerful EUROPORT MPA40BT PA system to stream songs from your Bluetooth-enabled iOS device at the next company picnic, or to get your message across on the playing field. With its 40-Watt amplifier and premium 2-way speaker system, the MPA40BT provides superb sound – and the rechargeable battery lasts up to 12 hours. We've included a high-quality dynamic microphone, but you can add 1 or 2 of our ULM digital microphones (not included) to create a supremely easy-to-use wireless, go-anywhere PA system!

Bluetooth Ready

The days of tape decks, CD and even mp3 players are long gone. Now your music lives on your smartphone or computer tablet, so you can stop searching for those outdated cables and fancy adapters. Now with a simple wave of your hand, you can stream music from any Bluetooth-equipped device such as your iPad, iPod touch, iPhone or even your laptop computer. Now, isn't that easy?

EUROPORT MPA40BT

All-in-One Portable 40-Watt PA System with Bluetooth Connectivity and Battery Operation

- "Planet Earth" switching power supply for maximum flexibility (100 - 240 V~) and low power consumption for energy savings
- 3-Year Warranty Program*
- Conceived and designed by BEHRINGER Germany

Ultra-Portability

The great-sounding MPA40BT is amazingly-lightweight (18.1 lbs/8.2 kg) thanks to its Class-D amplifier, and the onboard battery pack keeps the party going for up to 12 hours – without a power outlet in sight!

Built-in Mixer & Wireless Option

The amazing MPA40BT features a built-in 2-channel mixers with the same ultra-low noise, high-headroom mic preamps that have made our mixers legendary. Also included is 2-band equalizer, plus Bluetooth for streaming audio directly from your iOS device, and our proprietary ULM wireless technology. Sold separately, BEHRINGER ULM Series digital mics integrate seamlessly to expand your MPA40BT system to handle virtually any live sound application.
