Compact PA Systems

EUROPORT PPA200

Ultra-Compact 200-Watt 5-Channel Portable PA System with Wireless Microphone Option, KLARK TEKNIK Multi-FX Processor and FBQ Feedback Detection

- Ultra-compact 2 x 100-Watt, 5-channel portable PA system in a briefcase format
- Perfect for parties, schools, corporate and educational presentations, seminars, aerobics, auctioneers, working musicians, tour guides, weddings, etc.
- System sets up in seconds—perfect for entertainment, multi-media presentations, press conferences, board meetings, etc.
- Enormous power, incredible sonic performance and super-light weight
- "Wireless ready" for high-quality BEHRINGER digital wireless microphone system (not included)
- Ultra-high quality KLARK TEKNIK FX processor with 100 presets including reverb, chorus, flanger, delay, pitch shifter and various multi-effects
- Revolutionary FBQ Feedback Detection system instantly reveals critical frequencies for easy feedback removal
- 2 "Invisible" mic preamps with phantom power for condenser microphones, 1 mic/inst channel and 1 stereo channel with separate Aux input
- Stereo 7-band graphic EQ allows precise frequency correction of main outputs
- Comes with a BEHRINGER XM1800S microphone, mic clip and cable
- Compact speakers contain powerful 4" woofers and a 1" tweeter, 17 mm stand insert suitable for use with standard microphone stand and come with 12' cables

The EUROPORT PPA200 packs amazing sound quality into a compact, portable briefcase-style 200-Watt PA system that is incredibly fast and easy to set up. Whether you're using it for a corporate event, seminar or are a working musician, you'll have inputs for 2 microphones, your mp3 player, or up to 5 musical instruments.

This powerful little marvel also features world-class effects from KLARK TEKNIK – and our handy FBQ Feedback Detection System for feedback free crystal clear sound. Best of all, the PPA200 is "wireless ready" for our high-quality ULM Digital Microphones, so you can own the room. We've even included a professional-grade XM1800S microphone and all the cables and accessories you'll need – so you're ready to go, out of the box!

EUROPORT PPA200

Ultra-Compact 200-Watt 5-Channel Portable PA System with Wireless Microphone Option, KLARK TEKNIK Multi-FX Processor and FBQ Feedback Detection

- Integrated storage compartment for microphone, cables, and accessories
- "Planet Earth" switching power supply for maximum flexibility (100 - 240 V~), noise-free audio, superior transient response plus low power consumption for energy savings
- 3-Year Warranty Program*
- Conceived and designed by BEHRINGER Germany

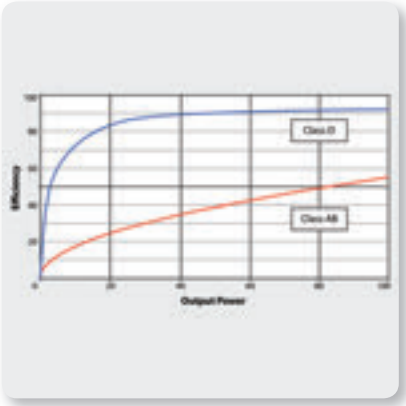

Huge PA Sound, Fast Setup

Armed with 200 Watts of massive output power, the PPA200 sets up in just minutes and provides room-filling sound, all in a rugged, carry-on style briefcase that is perfect for everything from parties to press conferences to sporting events. Everything you need is included in a convenient and easy-to-use package: two detachable speakers; a high-quality, "wireless-ready" 5-channel mixer; a BEHRINGER XM1800S microphone with a 20' cable and clip; plus two speaker cables so you are ready to go.

More Power – Less Weight

Thanks to our revolutionary amplifier technology, EUROPORT portable sound systems offer a much better power-to-weight ratio than competing systems. Without getting too technical, you get all the power – without the weight of traditional amplifiers. Due to its high-efficiency design, the amplifiers in the PPA200 crank out 200 of the cleanest, punchiest Watts you've ever heard.

Own the Stage with Digital Wireless

Get wireless-ready with the built-in, dedicated connectivity of our ULTRALINK ULM Series wireless microphone system (to be ordered separately). Wireless gives you maximum freedom and mobility without the need to run cables. The highest-quality sound is provided thanks to the ULM's digital, license-free 2.4 GHz frequency spectrum.

The ULM wireless system combines professional-quality sound with simple setup and an intuitive interface for legendary audio performance right out of the box. Just plug in the ULM receiver "dongle", and instantly you have an exceptional wireless mic system. Freeing you from cables is the simply easy way to own the stage.

KLARK TEKNIK - The Reverb that Made History

KLARK TEKNIK is recognized worldwide as one of the most prestigious British audio companies, with a 40-year pedigree and even a TEC Lifetime Achievement Award to back it up. The Company has designed and manufactured products for world-class artists, and their legendary DN780 reverb processor is considered by leading audio engineers around the world as the industry standard. Check out their website to learn more about KLARK TEKNIK's legendary heritage.

BEHRINGER is proud to incorporate custom-engineered KLARK TEKNIK effects into their products. Featuring 100 world-class presets to choose from including reverb, chorus, flange, delay, pitch shift and many other amazing effects, KLARK TEKNIK created the 24-bit, studio-grade effects engine for BEHRINGER – to give your performance that truly professional finishing touch.

FBQ - Totally Feedback-Free

For more than 20 years, BEHRINGER has designed and manufactured some of the most successful FBQ Feedback Elimination processors. Now you can own and enjoy the benefits of this technology, as we have integrated the revolutionary FBQ Feedback Detection System in this product, so your sound system is completely feedback-free, allowing you to focus on your performance. Utilizing an ultra-fast feedback detection system, this ingenious circuitry helps you recognize and tame feedback frequencies immediately. When feedback is sensed in a specific frequency range, the LED on the associated EQ fader illuminates, showing you at a glance which fader to lower to overcome the feedback. That simple!

Everything You Need is Right Here

The PPA200's two high-quality, detachable loudspeakers and our great-sounding XM1800S microphone (with all the cables and accessories) complete this amazingly powerful and versatile portable PA system. Everything packs neatly away into one ultra-lightweight "take-it-with-you" suitcase-style format.

The Perfect PA for You

The EUROPORT PPA200 lets you bring it all to virtually any small to medium-size gathering: a lightweight, yet powerful "wireless-ready" 5-channel mixer-amplifier that accommodates two microphones, your MP3 player, or up to five musical instruments. All of which can be finely tuned by the onboard, stereo 7-band graphic EQ with the assistance of FBQ Feedback Detection.

Small…But Mighty!

Put simply, the EUROPORT PPA200 is the ideal compact portable, mobile PA solution for schools, gyms, aerobics instructors, musicians and much more. Its detachable loudspeakers feature great-sounding 4" woofers and 1" tweeters for articulate midrange and crystal-clear high-frequency reproduction. Thanks to the PPA200, putting on a show, a presentation, or hosting your next party – just got a whole lot easier! Visit your local dealer and get your hands on one today!
