PVX™ 15

OVERVIEW

The PVX 15 passive loudspeakers deliver superior sound quality by utilizing advanced materials like its lightweight, roadworthy molded polypropylene exterior. Lightweight, durable and voiced for live music or speech applications, these two-way speaker systems will handle 400 watts program and 800 watts peak power and feature heavy-duty woofers, 2-3/8" voice coils and the Peavey RX14™ 1.4-" titanium diaphragm compression driver coupled to a constant directivity horn.
