The full spectrum of sound.

Whether in the studio, on stage, or on the go, Shure offers a complete range of headphones and earphones for every kind of listener.

PREMIUM HEADPHONES

Perfectly suited for mastering and critical listening, Shure premium headphones deliver natural sound with unmatched nuance and detail.

STUDIO HEADPHONES

Engineered for accurate response, Shure studio headphones are ideal for both professional monitoring and personal listening.

PORTABLE HEADPHONES

Made to go anywhere, Shure portable headphones feature full, clear sound in a lightweight, foldable design that's easy to store or carry.

EARPHONES

Developed for personal monitoring, yet equally suited for personal listening, Shure sound isolating earphones deliver detailed audio while naturally blocking most background noise.

SRH1840

Professional Open Back Headphones

Designed for mastering and critical listening

PREMIUM

FEATURES

- Unparalleled acoustic performance with individually matched 40 mm neodymium drivers that deliver smooth extended highs and accurate bass
- Open-back, circumaural design for exceptionally natural sound, wide stereo image, and increased depth of field
- Unique steel driver frame design improves linearity, eliminates internal resonance, and ensures consistent performance at all volume levels
- Lightweight and durable dual-frame construction with aircraft-grade aluminum alloy yoke and stainless steel grilles for enhanced durability and hours of listening comfort

INCLUDES

- Additional pair of velour ear pads
- Dual-exit, detachable cables with MMCX connectors
- Threaded ¼" gold-plated adapter
- Zippered hard storage case
